| JANZZ Title | SEO Expert |
| Job type: | Job offer |
| Number of offered jobs: | 1 |
| JANZZ language: | English |
| Description: | <p>We are a small marketing agency located around New York, we are rapidly growing and are looking for someone with the following skills:</p> <p>We are looking for someone who has strong experience in web design, majority of the tasks will be miscellaneous requests coming in from multiple clients every day regarding small changes that need to be done quickly on their websites.</p> <p>You'll have to have good understanding of search engine optimization, technical skills such as installing robots.txt, screaming frog analysis, inserting meta descriptions and alt texts, is a must. You must have good understanding of On-Page SEO - Publishing blogs with proper interlinking structure (training will be provided for this), optimizing blogs and identifying new potential opportunities for clients by going through their search console data (training provided).</p> <p>You must be comfortable speaking to different vendors over the phone and making sure that our orders are being delivered properly and coordinating with them if the instructions we're not followed by the vendors. You must feel confident speaking to clients about results that the SEO campaign has brought and reporting to clients based on the activities we have done for them on a month-to-month basis. One specific task is going to be to contact multiple directories and citation platforms to make sure our name address phone number is correct for our clients.</p> <p>You will have to have some understanding of copywriting and making sure that the language we use on the websites sounds professional and with the same tone as the language used in American businesses.</p> <p>This is a full-time job of 40+ hours per week, work hours are from 8:00 AM - 5:00 PM Monday through Wednesday (New York Eastern Time).</p> <p>Salary: \$500 per month and then it will raise (after 90 days) regarding your performance.</p> <p>ADD ME ON SKYPE AND INTRODUCE YOURSELF PLEASE: LIVE:SHIBGA</p> |
